It would help to plan a better meal and ride if the members would give some suggestions on places to go to eat and ride. It is hard for us to plan to suite everyone because people are so different. If you would think about it and give Zina some ideas at the next meeting we would be very grateful. THANKS.

If any one has anything that they would like to put in the news letter, please let Zina know.

(For sale items – Births – Sickness – anything that you want the members to know.)

Be thinking about our spring trip if you are thinking about going. More information will be given at the regular monthly meeting. It is unclear right now as to which weekend the trip will be on – either the 1<sup>st</sup> of May

or 13<sup>th</sup> -15<sup>th</sup>. Be sure to attend the January meeting to express your opinions on the trip and get your name on the list to go.

Patrick Henry Boys Home Picnic and Ride has a tentative date of April 9. Please make plans to attend so we can have another great day for the boys and girls. They always enjoy the rides so much.

**HAPPY NEW YEAR**  
**FROM YOUR CD'S**

We have made it through another great year together and now it is a brand new year. Here's hoping we can make it as successful in 2005 as it was in 2004.

We hope each and every one of you had a great beginning to the New Year and will continue to have a blessed and prosperous one.

We hear from reliable sources that the New Year's Day dinner and ride was very successful. What a great beginning for Chapter "J". Ray and I wish THANK YOU for your participation in that activity.

Ray and I wish we could have been along on the ride with you. However, Ray was on the road. I was at the Emergency Room of Danville Regional Medical Center, with our oldest son, Ray Jr., who had to be admitted to CCU for two days. He is home now, recovering and doing very well.

I am in the process of putting together a questionnaire and will be contacting each of you to obtain information that will be used in a "SPOTLIGHT" of a person or couple each month. So beware! I think it will be fun, as well as informative.

I would also like to put together a recipe booklet of favorite recipes. Ladies, please let me know how you feel about it!

## **ILLNESSES**

Don Mitchell will be entering the hospital to have knee replacement surgery on January 13, and will be out of work for a while. Please keep him in your prayers that his surgery will go well. He will be out of work for about three months, I am told.

## **STRANGE FACTS**

An atomic bomb accidentally fell from a U.S. plane over New Mexico in 1957. It left a crater, but did not detonate.

In the time it takes to read this item, you will lose 3million blood cells and make 3 million more.

## **COMIC RELIEF**

After starting a new diet, I altered my drive to work to avoid passing my favorite bakery.

I accidentally drove by the bakery this morning and there in the window were a host of goodies. I felt this was no accident, so I prayed, "Lord, it's up to you...if you want me to have any of those delicious goodies, create a parking place for me directly in front of the bakery."

And sure enough, He answered my prayer...on the eighth time around the block there it was!
